If there are IRL events happening in the UK, spread the word in this thread

Jan 27th 2019, Wolverhampton, UK

"Cognitive Dissidents" Radical Film Club

We'll be watching "Sorry To Bother You", followed by a discussion, at The Asylum Artists' Studios, 24a Darlington St.

We'll be showing other films on Feb 10th, March 3rd and March 10th (International Women's Day themed).

Future dates & films TBA. Come on down if you're in the area, we're a lovely bunch!

(Edit:) Maybe it would be better to organise this sub with per-region or per-country threads. That way people can follow what's going on near them, without things being drowned out in the global list.
